STARTUP WINTER SCHOOL

Where Students Become Founders

MUMBAI

BENGALURU

ABOUT AIC NMIMS

AIC NMIMS is a thriving hub for ambitious startups and student innovators, fueling groundbreaking ideas with expert mentorship and industry connections. As a sector-agnostic incubator, we empower entrepreneurs with the resources to transform bold visions into successful ventures.

Whether you're a budding founder or a student eager to explore the startup ecosystem, AIC NMIMS is where innovation meets opportunity!

WHAT IS STARTUP WINTER SCHOOL?

Startup Winter School is a 7-day residential program for students from Grades 8–12 to experience the world of startups firsthand. the course is designed to spark entrepreneurial thinking, problem-solving, and leadership.

Hosted at NMIMS Mumbai and NMIMS Bengaluru, the program goes beyond theory, students will ideate, build prototypes, interact with founders, visit startup offices, and pitch their ideas to experts.

It's an opportunity to step out of textbooks, develop problem-solving skills, and gain the confidence to think and lead like an entrepreneur.

“It’s not about ideas. It’s about making ideas happen.” – Scott Belsky

ABOUT NMIMS MUMBAI

Located in Vile Parle (West), NMIMS Mumbai is the university's main campus and home to a diverse range of undergraduate and postgraduate programs. The campus is well-connected to the city and offers students access to modern facilities such as a well-stocked library, state-of-the-art classrooms, and dedicated student spaces. Its location near Mumbai's corporate and cultural hubs makes it a vibrant place to study and explore.

ABOUT NMIMS BENGALURU

NMIMS Bengaluru has a full-fledged campus located on Bannerghatta Road. NMIMS Bengaluru offers various Masters and Undergraduate programs.

The Bannerghatta campus, spans 8.5 acres with open, naturally lit spaces. It includes outdoor and indoor sports and an ultra-modern kitchen and cafeteria.

The AIC-NMIMS EXPERIENCE

Exclusive 7-Day Immersive Program:

Startup Winter School is a 7-day immersive program where students experience entrepreneurship through hands-on modules and activities. They learn by exploring ideas, working in teams, and building real skills in an exciting way.

Expert-Led Mentorship:

At Startup Winter School, students learn from successful founders and leaders, gaining real-world insights that turn ideas into impact, building clarity and confidence for school, college, and beyond.

Experiential Learning Beyond the Classroom:

The program goes beyond classrooms with outdoor activities, creative challenges, and prototyping. Students build teamwork, problem-solving skills, and confidence while enjoying the journey of learning by doing.

BENEFITS OF THE PROGRAM

Develop entrepreneurial thinking and problem-solving abilities

Exposure to the real-world business scenarios

Learn collaboration and leadership through projects

Build strong presentation and persuasion skills

Enforce career and college readiness with future-ready skills

Interactive and engaging modules with hands-on activities

Sorabh Dhingra

"Enrolling my child in the **Startup Summer School** was a very good decision. Not only did they gain real-world business skills, but their confidence and creativity truly blossomed. The mentors were incredibly supportive, and the hands-on experience gave my child a sense of direction. I'm genuinely impressed."

Seemant Handa

"When we signed up for the AIC NMIMS **Startup Summer School** in Bangalore, I didn't know what to expect but I can say now it was one of the best decisions we've made. My daughter came back so excited and full of ideas. Her confidence was out of the world. She actually started thinking like an entrepreneur. The sessions weren't just educational they were engaging, practical and very inspiring. I'm really thankful to the team for creating such a positive and encouraging space for the young minds."

PARENTS' TESTIMONIALS
