WHAT IS LEGAL INNOVATORS PROGRAM?

The Legal Innovators Program is a 7-day immersive learning experience designed for students in Grades 8–12 to explore the world of law, governance, justice, public policy, and legal innovation. Through courtroom simulations, negotiations, debates, policy discussions, and Legal Tech workshops, students develop practical skills while experiencing how law shapes society.

Law, Governance & Justice

Explore the foundations of law, justice, governance, and public policy.

Experimental Learning

Participate in mock trials, courtroom simulations, debates, and negotiations.

Critical Thinking & Advocacy

Develop legal reasoning, analytical thinking, communication, and leadership skills.

Legal-Tech & Future of Law

Discover how technology is transforming the legal profession.
